Dear Ms Herby, dear Mr Liu,

We are a web service specialised in exercising personal data access rights on behalf of others.

We have been tasked by Paul-Olivier Dehaye &lt;paulolivier@gmail.com&gt; (Cc'd, based in Switzerland) to ask from Coursera all the data associated to a cookie set by the ".coursera.org" domain.

This cookie has key "\_ga" and value "GA1.2.2143385636.1465682131". Please retrieve, either from Coursera's systems directly or from any third-party contracted by Coursera for the processing of this data, any personal data associated to this cookie. It is our understanding that you have 30 days to comply with this request.

Dehaye asks that the data be sent directly to him, and not through us, but that we represent him in any intermediate steps. He will send confirmation shortly of this.

Sincerely,

PersonalData.IO
